GUIDELINES FOR SELECTION OF CANDIDATES FOR NOMINATION TO VARIOUS LONG REGULAR COURSES OF IUT

Islamic University of Technology (IUT), Dhaka, the Organisation of the Islamic Conference (OIC), invites nominations of candidates from the Member States for admission to various long regular courses as per **Announcement**.

It may be mentioned that at present the medium of instruction is English and all candidates will have to submit a certificate about their proficiency in English

The Member States may follow the following guidelines for selection of their students for nomination fulfilling the entry requirements for respective courses as detailed in the **Announcement**.

GUIDELINES

- (a) **Doctor of Philosophy**
- (b) **Master of Science in Engineering (Mechanical/Electrical & Electronic)**
- (c) **Master of Science in Computer Science and Information Technology/Application**
- (d) **Master of Engineering (Mechanical/Electrical & Electronic)**
- (e) **Postgraduate Diploma in Engineering (Mechanical/Electrical & Electronic)**
- (f) **Postgraduate Diploma in Computer Science and Information Technology/Application**

Candidates for the Programme of Doctor of Philosophy will be selected by the appropriate committee of the Department concerned. A candidate having M.Sc.Engg./ M.Engg. in his field should enclose copy of the abstract of thesis of M.Sc.Engg./ M.Engg. together with the Application form and other documents / certificates.

Candidates for Master's and Postgraduate diploma programmes in Engineering and Technology will be selected in order of merit on the basis of marks obtained in B.Sc. Engg. / B.Sc. CIT from IUT or equivalent. Candidates for M.Sc. and Postgraduate Diploma in Computer Science and Application must have B.Sc.Engg. degree in any field of Engineering or 4-year B.Sc. degree or its equivalent with sufficient background of Mathematics and Computer.
